BOFFIN INVENTS SQUIRTY BEANS!

HALF BAKED IDEA: Filbert's 'great' invention

BAKED beans purists reacted with horror after an amateur food boffin invented SQUIRTY BEANS in a can.

Norris Filbert claims his creation is the "greatest innovation in baked bean technology in 100 years."

But the Biddulph, Staffs-based inventor's creation has been described as a "monstrosity and a perversion" by beans traditionalists.

Unveiling his prototype via a Zoom presentation last week, excited Filbert, 63, raved: "Welcome, my friends, to the future.

"No more messing with fiddly can openers. Squirty beans are the way forward. They are the 'now' beans, they are the 'go' beans."

Filbert refused to go into details about how his product works for fear of "imitation by shadowy Chinese state actors".

But he said: "In five years time, all beans will be like this. We will be astonished we ever ate beans from a tin."

But Gordon Henderson of the Bean Protection League spat: "This sort of perversion may be acceptable in Biddulph but it is not for the wider bean community.

"I shall not rest until this vile abortion has been wiped from human memory as a disgraceful interlude."

Bean purists have had a difficult few weeks.

Recently, Heinz said they were bringing out a frozen version of the favourite and last week some twat suggested putting them on Weetabix.

Rasher move: Pigs taught to play video games

CRAZED boffins have taught PIGS how to play video games!

Animal psychologists say they trained pigs Hamlet, Omelette, Ebony and Ivory to play arcade-style games.

The swine were able to comprehend that manipulation of a controller was connected to the cursor on a monitor.

They learned to play a rudimentary video game, despite them having a predisposition for far-sightedness and no opposable thumbs, instead making use of their snouts – "no small feat," said researcher Candace Croney of the study, published *in Frontiers in Psychology*.

She added: "That pigs can do this to any degree should give us pause as to what else they are capable of learning."

Poo trouble for Dung-elm

HOMEWARES store Dunelm is to launch an investigation after a customer said she found a POO in a sofa throw delivered to her house.

The Leicestershire-based firm want to find out how Tamsyn Kelly might have been sent the soiled £21 item.

Tamsyn said she was disgusted when she unwrapped the throw to find what she claimed was a poo the size of sausage stuck to the item.

The 29-year-old comedian and actor, from London, said: "I could not believe what I was looking at.

"I got some kitchen roll and felt that it was dried on. It was gross and stank like fox poo."

A spokesperson from Dunelm said: "We apologise for any upset and inconvenience caused."

'Combustion' caused man, 69, to poo on gravestone

A PENSIONER took a shit on a gravestone because the public toilets were shut and the medication he was taking made him prone to "combustion", magistrates heard.

Percy Edmunds, 69, apologised for going to the toilet in the graveyard of St Mary's Church in Devizes, Wilts, but said he'd picked up his poo when asked by a policeman.

Magistrates sitting in Salisbury accepted his apology, imposed a six-month conditional discharge and ordered he pay a £22 victim surcharge.

Edmunds, of Rowde, Wilts, pleaded guilty to outraging public decency.

He said nearby public toilets had been occupied at the time – although it was suggested in court that they may have been shut by 4.30pm.

Other buildings, like pubs, were shut as it was during the first lockdown.

"I just felt I could do nothing and I've taken these tablets and they cause combustion," he told the court.

Asked why he'd defecated on a grave, Edmunds replied: "Not being funny, I thought it was somewhere out the way."

Kate gets boot for sex scene

KATE Winslet hid in the boot of a car to guide a young co-star through a sex scene.

The actress (*above*), 45, took on the role of an intimacy co-ordinator to support her on-screen daughter Angourie Rice, 20, shooting upcoming HBO series *Mare of Easttown*.

Kate, who plays a small-town detective in the series, said: "Because there were no clothes that come off in the scene they didn't consider an intimacy coordinator.

"I just got the sense that she was nervous. So I said to her, I'm going to be around for this, I'm going to stay."

"She said, 'Thank God Kate, thank you so much'. And I ended up being in the car. I ended up being in the boot of the car."

IN BIG TROUBLE: Rita Ora lookalike Nikki Smith

A MIDGET Rita Ora tribute act has fallen foul of Twitter after inviting a group of topless Irish dwarfs to sing at an illicit lockdown party.

SUNDAY SPORT EXCLUSIVE
By JUSTIN DUNN
news@sundaysport.co.uk

Petite Nikki Smith – who bears an uncanny resemblance to the gorgeous *Hot Right Now* singer – got hammered on social media when the unlawful bash was revealed.

And the 30-year-old – who is the same age as her famous pop idol – caused further fury when it was revealed the name of her guest band was LITTLE MICKS.

The sexy Irish singing group are made up of lead singer Mary Rose, 24, Rose Marie, 25, Mary O'Lally, 29, and O'Shea O'Shea, 28 – all of them under 5ft tall.

Furious

Their act has become an internet sensation in the island of Ireland after pubs, clubs and music venues were shut down because of the coronavirus.

But sources in Westminster said MPs were "understandably furious"

FLOUTING OF RULES

f band Little Micks g at midget Rita's lockdown party

SHORT SHRIFT: Police are looking at how Little Micks got booked in lockdown

anyone would consider organising a secret knees-up during the current pandemic.

One fumed: "It's bad enough that we're all locked down in the first place, and seeing people taking the piss just gets everyone's backs up.

"But to have a band that is clearly cocking a snook at the troublesome patriarchy we are all forced to endure by this evil Tory government is surely the final straw.

"This, more than anything, makes you wonder why the Liberal Democrats aren't in charge."

Sunday Sport understands the party that Ora-lookalike Smith organised took place behind a closed fruit market in east London two weeks ago.

Around 50 guests attended the bash – despite strict COVID-19 regulations banning "mass gatherings" of people getting together either indoors or outdoors.

It is claimed that some of them even refused to wear MASKS as they cheered on Little Micks – a play on Simon Cowell's *X Factor* creation Little Mix – singing the Steps classic *5, 6, 7, 8*.

Twitter user Joloyon Novak stormed: "I have nothing against dwarfs – I'm sure they're all lovely people – but you just can't take the piss like this.

"Rita Ora-lookalike – hang ur head in shame. How dare you have a party when no one else can?????

"EVEN WORSE, THEY SANG A STEPS SONG!"

It's understood that the Metropolitan Police are now investigating.

Meanwhile, the real Rita Ora has been snubbed for ITV's new series *The Masked Dancer* – with bosses instead targeting *Strictly Come Dancing* star Oti Mabuse.

The *Masked Singer* spin-off, ordered as a quick turnaround replacement for *Britain's Got Talent*, is set to feature all the other regulars – Jonathan Ross, Davina McCall and Mo Gilligan, plus presenter Joel Dommett.

But Rita – who apologised profusely after throwing her own lavish party to celebrate her 30 birthday in lockdown – has not been invited back.

Instead it is hoped that Oti, the only *Strictly* pro to have won the competition for two years running, will bring some much-needed dance expertise to the line-up.

MONDAY

VETERAN NFL quarterback Tom Brady wins his SEVENTH Super Bowl at the ripe old age of 43.

That's an incredible achievement, even in a sport which allows players to take a rest every 30 seconds and carry their own towel to mop up any embarrassing spills.

Brady must have a stronger right arm than almost any other middle-aged man.

Apart from those who have "enjoyed" pics of his wife Gisele Bundchen, of course.

TUESDAY

FRANCE lifts a decades-old law which forbids office workers from eating lunch at their desks.

Traditional Frenchies think it's an unhygienic and uncivilised habit which is best left to Barbarians like the Brits.

Come on, lads, it's not that bad. Just make sure you're picking up a paper napkin to wipe the snail juice from your lips – and not your secretary's knickers.

WEDNESDAY

THE UK shivers through one of its coldest nights in 60 years as Storm Darcy blows in from the East.

Parts of Aberdeenshire saw the mercury drop to minus-23 degrees Celcius, prompting local men to switch from the classic string vest to a thermal one.

In northern England it was a relatively balmy minus-13, meaning the lasses actually wore coats – and had something to hang them off.

And in London it was so cold (minus-5) that soup kitchens for the homeless were re-branded as "pop-up gazpacho bars", drawing huge crowds of hipster twats willing to pay a fiver a bowl.

THURSDAY

THE Duchess of Sussex wins her court case against the Mail on Sunday – for publishing private letters she wrote to her father.

In which case we DEFINITELY won't be printing the ones she wrote to us.

Our lawyers say we can, however, repeat the reply we gave her at the time: "Happy for you to do a topless shoot, love, but you get paid the same as everyone else. Also, you bring the crown and we'll supply the pearl necklace."

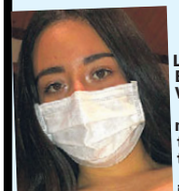
FRIDAY

CORNWALL re-brands its traditional fish in the hope of making them sound more appetising.

The "megrim", for example, will now be known as "Cornish sole".

We can see the tourist board adverts now: "Come to Cornwall, for a taste of our sole".

SATURDAY



LOVE experts tell millions of Brits to prepare for our horniest Valentine's Day in YEARS.

They say the lockdown means couples have a lot more time than usual to get jiggy on the big day.

Well, maybe. But we reckon it's more because you can legitimately ask her to wear a mask and face the other way.

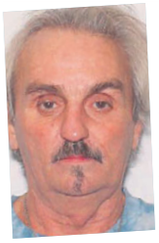
THIS WEEK: YOUR HOLIDAY PLANS



I'VE never understood the desire to holiday abroad among uneducated savages and foreign ne'er-do-wells.

You simply cannot be happier than being sat on a beach in Blackpool eating soggy jam sandwiches in the rain. That's what my grandfather fought and got blown to bits for in the war.

And I shall honour his memory, like a true Brit, in my wet deckchair.

AFTER Brexit, you'd think the rabble we have to call an electorate would be more than happy to explore the nation they claim to so desire.

But alas, we now see the scales fall from their eyes as they spend all day poring over images of *Love Island* stars in their bikinis in Dubai.

As I said to Keir Starmer, if this isn't a reason for another referendum, I don't know what is.

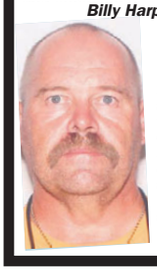
Penelope Cruft, Brighton

I HAVE set up a special, socially-distanced camping venue for young people of all genders here in North Wales.

To ensure all COVID-19 rules are abided by, I will be supervising the initial arrivals and their necessary fully naked washdowns.

I would ask that patrons bring their own soap to keep expenses down. Preferably Pears, as it is a decent scrub and smells nice on fannies.

Billy Harper, Anglesey



SURELY no one actually believes in holidays anymore?

In my day, a "holiday" meant downing 19 pints of sheeps' blood, a rowdy naked wrestle on the cusp of a cliff, eating cow shit for a laugh, and scaring the old lady next door with fireworks so much she died of a heart attack.

Stick your Mediterranean shit up your arse.

TERROR: Family flee from comet in Amazon disaster movie

THERE'S nothing like a film about the end of the world to cheer you up when you're in the middle of a pandemic.

So three cheers to Amazon Prime for *Greenland*, which tells the story of a comet, rather than a Chinese death plague, ending humanity.

Thrilled

Gerard Butler is John Garrity, a structural engineer in Atlanta attempting to rebuild his broken marriage to estranged wife Allison, played by Morena Baccarin.

The couple's diabetic young son Nathan is thrilled by news of a comet due to make "the closest fly-by in history".

But when John receives an alert announcing that his family have been chosen for "shelter", it's clear that bits of the comet are headed for Earth.

Next thing, "the sky is on fire", Tampa is toast, and the Garrity clan are making for a military airfield to be sent to bunkers near the north pole.

Yes, it's like most end-of-the-world epics – but this one stars Morena who, as she showed in TV's *Homeland* and the 2008 movie *Death in Love*, has AMAZING tits!

CHLOE Madeley says sharing details of her sex life with hunky rugby-player husband James Haskell makes her "cringe".

Dogging?.. No officer, just eating a Big Mac

FOUR people were fined after eating a late-night McDonald's at a notorious DOGGING spot.

The group were all from different households and had gathered in one car to eat their meal at the Shab Hill beauty spot in Birdlip, Glos, a location popular with doggers.

Being in one car with people from other households is a breach of COVID regulations.

Cotswold Police confirmed they found the group at the site, off the A417, and fined them.

In a tweet Cotswold Police said: "Last night four people from different households were sat in the same car at Shab Hill having McDonalds.

"Tickets were issued for breach of COVID 19 regulations."

There is no suggestion that any of the quartet fined at the beauty spot had been engaging in sexual activity.

IGGY DROP: Sarah with her trans pet iguana Eddie Lizard

By BARNEY SAMUELS
news@sundaysport.co.uk

WHEN Sarah Kensit's pet iguana started displaying trans tendencies, she thought it was time to give him a new name.

And to pay tribute to the marathon-running, gender fluid, vehemently pro-EU comedian, she named him EDDIE LIZARD!

Sarah, 29, said: "The man at the pet shop said that the iguana was definitely a he. But I opted for the name Iggy, as it seemed a more gender-neutral name. I did not want to impose a gender binary on them.

"As I watched Iggy, I noticed they acted in a traditionally feminine way and I became convinced that the iguana was most definitely trans.

Tribute

"Then Eddie Izzard started using feminine pronouns and identified as transgender. I thought what better tribute to him, sorry, her, than to name my iguana after her – so Iggy became Eddie Lizard."

In line with Eddie Lizard's feminine identity, Brighton resident Sarah started daubing the creature with make-up and placing jewellery on its scaly skin.

She said: "Eddie Lizard looks just like a proper lady. Which he is. Shit, sorry, which SHE is."

Meanwhile, the Eddie Izzard has spoken about knowing she was transgender from before the age of six.

The comedian, 58, previously identified as a transvestite but now recognises she is gender-fluid and is currently in 'girl mode' as a trans woman.

She explained: "Man mode and woman mode does not sound good, but language can change.

"I am gender fluid, I do seem to be a mixture, but I'm now based in girl mode as a trans woman.

"And now that pronouns have come out, feels like a promotion. I'm very happy."

THE VOICE OF YOUR BRITAIN

Woke bogroll purge is just taking the piss

THE curse of political-correctness has been with us for many years.

Decades ago, we laughed at how "loony left" councils banned the nursery rhyme Baa-Baa Black Sheep or how godless local authorities renamed Christmas "Winterval".

But now a sinister cadre of PC zealots has emerged – the "Woke" brigade.

Like the Jesuits or the SS, these stormtroopers of ideological purity brook no dissent, take no prisoners, smash all enemies.

And the tentacles of this chilling movement extend into every part of our land: the government, the judiciary, the police, science, the media and even our town halls.

Common sense and reason crumble before the assault of the woke brigade.

How else can we explain a council which has burned more than £1million-worth of white toilet paper and replaced it with more "culturally-sensitive" brown tissue?

Incredibly, thanks to a court injunction passed by a judiciary infested with "woke" warriors, we are unable to name the council.

Those involved in this terrifying plot will stop at nothing until our words, deeds and, indeed, our very thoughts are brought into line with their bigoted creed.

And we shall all be forced to wipe our behinds with brown toilet roll.

Britain, a country once known for Shakespeare, for Milton, for Brunel, Turing and Churchill, will become the Land of the Skidmarks.

It is up to us all to stand against this pollution of our minds, our souls and our underpants – a line in the sand must be drawn...

Hands off our toilet paper, woke loons!

We learn in today that West, serving a whole-life sentence for her bloodsoaked antics took part in a "fun" version of The Masked Singer.

BEHIND THE MASK!

THE Masked Singer...

At first glance you think: "Someone at ITV must have been REALLY pissed to come up with that idea."

But no. The concept of a celebrity singing in a mask that hides their true identity is not even an original idea.

What we see is a copy of a South Korean show called *King of Mask Singer*.

But despite the UK version being a half-arsed reproduction of a show from the Land of the Dog Eaters, *The Masked Singer* has proved hugely popular.

Soul

That may make you despair for the cultural soul of the United Kingdom but let's be generous and accept that, with a pandemic on and nothing much to do, Brits will watch any old shit.

If you remain amazed and slightly disappointed that such drivel has captured the national mood, here's something to lift your spirits – the ladies who have taken part, with their boobs out.

Fury as Rose West mimics show at prison party

By VALERIE BROWN

MOST people would assume that Britain's worst female serial killer would be in a deep dungeon, nibbling on dry bread with only rats for company.

But no.

Evil Rose West serves out her whole-life prison term in relative comfort at New Hall women's jail in Wakefield, West Yorkshire.

Monster

And the 67-year-old monster, who was convicted of 10 murders, is even allowed to take part in various "entertainments" while on the inside.

According to sources, the bespectacled beast last week starred in a prison version of *The Masked Singer*.

A prison insider told *Sunday Sport*: "The girls here all love watching *The Masked Singer* on telly and there are scuffles to get to the best seats in front of the TV when it comes on.

"So when a prison version of the show was arranged to entertain the lags, there was much interest."

Our informer tells us that Rose, who is also an accomplished seamstress, made her own mask out of the dozens of panties she has collected as trophies from various female lovers during her reign of rampant lesbianism behind bars.

Stitching

Our source added: "It was a bizarre creation, but the stitching was second to none.

"However, you couldn't say that about Rose's singing voice, though.

"It was dreadful.

"But she won anyway – nobody wants to get on the wrong side of Rose West."

Wanker who thought Isle was a nudist resort is free

A FLASHER who performed a sex act in front of a woman and said he thought it was OK because he believed the Isle of Wight was a "nudist island" has dodged jail.

Reza Hatami, 38, appeared before the Isle's Magistrates' Court for sentencing last week.

He had initially denied intentionally exposing his genitals to cause harassment, alarm or distress, but JPs found him guilty on December 11.

At the trial, Liz Miller, prosecuting, told the court a 56-year-old woman was out walking on July 12 when she opened a gate and walked into a field near Ryde.

She saw Hatami in an aroused state and walked on as quickly as she could. She looked back to check he wasn't following her, and could see him furiously masturbating while watching her.

Hatami changed his story several times, but admitted exposing himself and boasted about the size of his manhood. He also claimed to believe that the Isle of Wight was a nudist resort.

He was handed a 12-week jail term, suspended 12 months.

DON'T worry, sexy Stacey Noblet hasn't been breaking lockdown rules to jet off to sunnier climes.

These sensational snaps were taken last year when the borders were briefly open.

The 32DD cracker, from Manchester, admitted: "It feels like a hundred years ago now.

"Sea, sun, sand, the lot. And now look at us – up to our eyes in snow with the bitter winter wind whistling around our ears.

"Ah well, it will be summer soon and we can all get our cossies on again!

"I just hope we'll be allowed to go on holiday. I could really do with some nice warm sunshine."

STORMY GIVES MORE DETAILS OF TRUMP ROMP

PORN star Stormy Daniels says her alleged sex romp with Donald Trump behind his wife Melania's back was "the worst 90 seconds of my life".

CLAIMS: Stormy with Donald Trump

By BRAD CHADWICK
news@sundaysport.co.uk

She told Trump's ex-fixer Michael Cohen the alleged 2006 encounter "made me hate myself".

Speaking to Cohen for his new podcast *Mea Culpa*, Daniels claimed that an almost-naked Trump sat perched on the edge of a hotel bed waiting for her.

Recalling the tryst, said to have taken place at a charity golf tournament in Lake Tahoe, she added: "I just froze and I didn't know what to say.

Disturbing

"He had stripped down to his underwear and was perched on the edge of the bed doing his best yet horrifyingly disturbing impression of Burt Reynolds."

Daniels – real name Stephanie Clifford – continued: "I went to sidestep and he stood up off the bed and was like, 'This is your chance'.

"And I was like, 'What?!' and he was like, 'You need to show me how bad you want it or do you just want to go back to the trailer park?'"

She claims she then had sex with Trump.

Stormy has always said the encounter with Trump was consensual, despite some earlier misgivings which saw her wonder if she could "fight his fat ass and outrun him".

The former president – who met Daniels at a golf tournament a year after he wed third wife Melania – denies her claims of a fling.

Daniels shared the details of what she claims happened while chatting with Cohen.

She has spoken about the alleged encounter before, and told an earlier interviewer that sex with Trump was "textbook generic".

Cohen spent time in jail for paying Daniels $130k hush money during the 2016 presidential campaign to try and cover up the alleged fling.

GORGEOUS actress Juno Temple has defended her many nude roles.

In *Lovelace*, she was the best friend of porn star Linda Lovelace.

And in the third, *Magic Magic*, she was a naive Californian in Chile who suffers a psychotic episode.

She happened to take her clothes off in all three.

Juno *(above)* said: "I remember a reviewer being like, 'Wow, she's got her tits out in all of them'.

"I don't think that's a beneficial thing to say. If you're offended by the nudity, explain to me why. Not just like, 'She's got her boobs on screen again'.

"Yeah, I do. So if that's a problem, tell me why."

Juno added: "In real life, there are moments when you take your clothes off."

Young was arrested at her home in Greenacre in July, following the allegations of incidents alleged to have occurred between June 24 and July 3.

Devices

After her arrest, cops seized a vehicle and electronic devices during a search of her address.

Police say Young was charged with assaulting the boy on five separate occasions, including at school and in her car.

The court was previously told about how the teacher had sent pictures of herself and suggestive messages to the lad.

One showed her lying in bed with the caption: "I'm waiting for you."

It is alleged a piece of CCTV evidence shows Young's hands moving to the boy's groin.

In the footage, she also places the teenager's hands inside her tights, police claim.

Young's defence lawyers have countered the allegations, saying the footage does not show any signs of sexual assault as the vision was blocked by a table.

Exaggerated

Her lawyers described the CCTV evidence as being "exaggerated".

The trial is expected to be held over five days in September.

If convicted, Young could face up to 12 years in jail.

Miss fingered her MINGE under school desk

KINKY TEACHER FILMED ANTICS IN CLASSROOM

A TEACHER has been accused of FINGERING herself in front of a class of pupils and then posting the footage ONLINE.

Amelia Ressler, 30, was arrested and charged with 19 counts of child molestation, which allegedly took place at Mt Zion Elementary School outside Atlanta, Georgia.

Immoral

Carroll County Sheriff's Office found that Ressler had "engaged in indecent and immoral acts while in the presence of school children."

"It appears that she was masturbating while the classroom was full of kids," said spokesman Ashley Hulsey.

Ms Husley added that investigators found evidence of the indecent act when someone in the community saw a video and alerted the school.

"We obtained video evidence because she videoed it herself and disseminated it and we were able to get a hold of that evidence," she said.

Ms Hulsey also said that investigators were in the process of conducting interviews with students who were present in the classroom during the alleged incident.

IN JAIL: Amelia Ressler and (*left*) Mt Zion Elementary

The kids did not actually see Ressler's fingers plunging into her sodden hole as her antics were hidden by her desk.

Additional charges could be added based on those interviews, Ms Hulsey said.

"It's one of these things the kids are going through that they shouldn't," she added.

Ressler is currently being held in the local county jail.

Lawyer 'tried to hire hitman to kill hubby'

A TOP animal rights lawyer tried to hire a hitman to kill her estranged husband's girlfriend – who had been their children's au pair.

Jennifer Emmi, 43, of Evergreen, Colorado, was arrested on charges that include solicitation of murder, stalking and retaliating against a witness or victim.

Emmi – who founded a charity ranch called the Animal Law Center – had been locked in a divorce battle with her estranged husband when she allegedly tried to have his new lover taken out.

She allegedly asked a ranch hand, 28-year-old Timothy Lindsey, to help kill her husband's girlfriend in November.

Emmi *(above)* also allegedly weighed the possibility of both her husband and the woman being killed, musing that "if there was a car accident or something, no one would know".

She was arrested after Lindsey notified Emmi's hubby and the police.

Woman flashes beaver in Beaver

A WOMAN is accused of holding open her hairy fanny for a 15-year-old lad... in BEAVER COUNTY.

Police charged Janine Young, 37, of Beaver, Pennsylvania, with numerous counts of statutory sexual assault and indecent assault.

Young allegedly had sex with the victim numerous times after first enticing him to penetrate her vagina by flashing it at him at a beauty spot.

Cops say Young "held open her vagina and inserted several fingers, then beckoned the teenager join her".

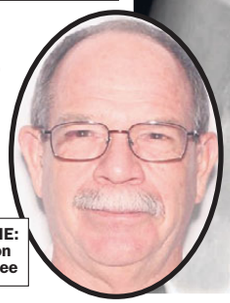
Officials say Young encouraged him to penetrate her vaginally and anally with his hard teen cock.

An arrest report also says Young asked the lad to urinate in her mouth as she fellated him.

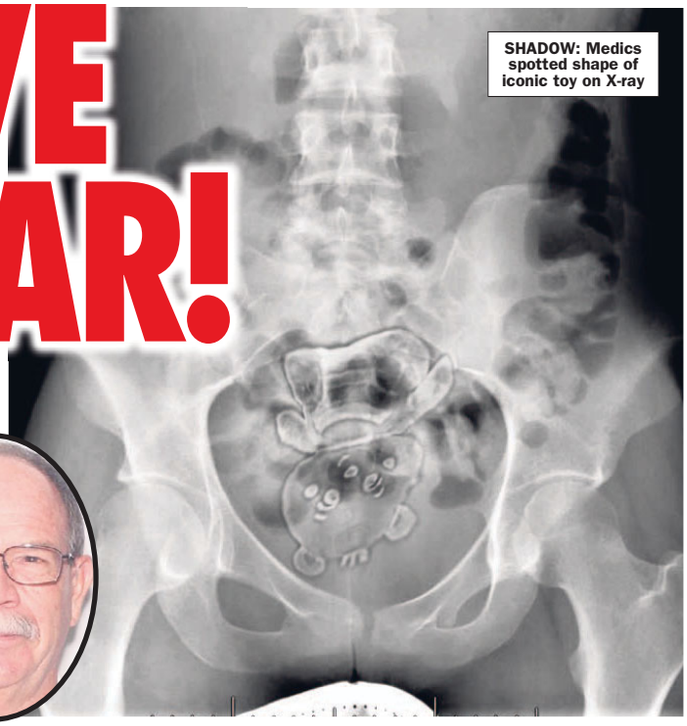
She is due in court on February 26.

INTENSIVE CARE BEAR!

Medics baffled after perv gets soft toy up ARSE



WEDGIE: Gideon Harptree



SHADOW: Medics spotted shape of iconic toy on X-ray

WHEN Gideon Harptree rocked up at his local A&E with rectal discomfort, it was the last thing medics needed.

Wards overflowing with breathless COVID cases and bodies of the recently-dead stacked six-high in corridors, 67-year-old Harptree's back passage seemed a very low priority.

The unmarried retired bookkeeper had to wait three hours until a lull in the Grim Reaper's scything allowed staff to examine his complaint.

When the X-rays came back, doctors thought that the stress of overwork was suddenly making them hallucinate.

For there, in Harptree's colon, was a shadow in the unmistakeable shape of a Care Bear soft toy.

Lubricant

Once the problem was found, it was simply a case of long forceps and anal lubricant to tug the toy free of its lodging.

Harptree, a suspected pervert from the south Manchester area, was then sent on his way but the case has left medics baffled.

One said: "I've been in this job for 20 years, man and boy.

"I've seen all sorts wedged up people's jacksies – from biros to billiard balls.

By BARNEY SAMUELS
news@sundaysport.co.uk

"People wander into A&E with the most unexpected things stuck up them all the time.

"But how the hell do you get a Care Bear up your arse?

"Surely a soft toy has no rigidity to penetrate the anus?

"Still, it cheered up our shift, I have to say.

"We all need a good laugh at the moment!"

Last night Harptree was unwilling to throw any light on his feat when *Sunday Sport* called at his flat.

Yelling: "Human rights" and "data protection" through the letterbox, he refused to open the door to our reporter."

Too HOT for Bumble?

PORN STUNNA SAYS SHE'S BANNED FROM £6BILLION DATING APP

AN adult film actress claims she was kicked off dating app Bumble because she works in porn.

Bunny Colby, 28, who is based in Los Angeles, contacted Bumble customer service when she opened the app and saw she'd been banned for allegedly engaging in "commercial activity" – which she denies doing.

Despite her protests, Bumble refused to reinstate her account and now Bunny has spoken out about alleged discrimination, insisting that sex workers want to find love just like anybody else.

Bunny, who has starred in several porn films and been nominated for awards, joined Bumble during the pandemic.

She had a "tame" profile and a bio that read: "Cat lady. Internet person. Nice people only."

She included her Instagram handle, which many users do.

But then she couldn't access her account, with a notification on her screen claiming that she was engaging in "commercial activity" on the app and had been permanently banned.

She insists, though, that she wasn't using the app to find or promote her work, or to make money in any way – she just wanted to meet someone.

Bunny sent a message to *@BumbleSupport* on Twitter, asking why she was banned.

At first, she was told it had been an accident, and the ban was lifted from her account.

But when she logged back on, she wasn't getting any matches or likes, which was unusual.

She said: "It became clear that I was shadowbanned on it," meaning she was banned but being led to believe she was not.

When Bunny followed up again, she was finally told that she was still banned and no-one should have told her otherwise.

Last week Bumble floated on the stock market valued at £6bn.

Uni bans woke event to lecture white 'racists' – as it's racist!

A WOKE university seminar which aimed to lecture white people about how beastly they are to ethnic minorities has been banned – for being racist!

Right-on activists at Elon University, North Carolina, planned an event for white people to "process their complicity in injustice" and speak openly and avoid "retraumatiz[ing] people of color".

"White caucuses give white people a space to learn about and process their awareness of and complicity in unjust systems without harming their friends of color," reads the email, which was addressed to School of Education students.

But the virtue-signalling event has been cancelled for "excluding" other races.

A spokesman for the uni tromboned: "Elon's policies prohibit discrimination on the basis of age, race, colour, creed, sex, national or ethnic origin, disability, sexual orientation, gender identity, or veteran's status.

"Because this student-led program would have excluded non-white individuals, it would be at odds with university policies and will not be held."

Sicko buys cake with his cock out

A PERVERT strolled into a bakery to pick up a birthday cake…with his DICK hanging out.

Douglas Farra's wife had ordered the cake and had sent him to pick it up, but while there he exposed himself to a female employee.

An arrest report said when he entered the shop, he had his genitals exposed.

CCTV footage showed Farra, 34, put his cock away but pulled it out again as he waited for the cake and pay for it.

The employee told cops she believes his actions were intentional and she was so uncomfortable she didn't completely finish taping the cake box in an effort to hurry Farra out of the Las Vegas bakery.

Farra, who has previous, is due in court in April.

MUM RUGBY-TACKLES PEEPING PERVERT

AN OUTRAGED mum rugby-tackled a pervert who she caught peeping into her 15-year-old daughter's bedroom window.

Phyllis Pena's impressive takedown was caught on the dash cam of an arriving police officer's car.

She told cops: "My kids are my life and I was just making sure I protect them."

Phyllis had been returning from the shops to her home when she found a man in her yard, peeking into her girl's bedroom window while furiously masturbating.

As she called cops, the suspect began to run off but then doubled back and made a run straight at the mum.

Of her split-second decision to block and tackle the alleged peeper, later identified by cops as Zane Hawkins, 19, she explained: "My first instinct was just to make sure he didn't go any further.

"The cop fist-bumped me and he was like, 'Hey, so I heard the Texans are looking for a new linebacker'."

Sgt Roy Welch of the Lake Jackson, Texas, Police: "It's not very often that we have somebody that actually steps in, puts themself in harm's way to assist in apprehending somebody."

Hawkins, who is a notorious local bike seat sniffer, faces charges of possession of a controlled substance, peeping, evading and resisting arrest.

Woman loses £60k in 'Bruno Mars' scam

AN elderly woman was swindled out of £60,000 by a conman who convinced her she was dating Bruno Mars.

Chinwendu Azuonwu allegedly posed as the *Uptown Funk* singer *(above)* on Instagram and seduced the 63-year-old woman.

The catfisher sent the woman several texts and photos of the 35-year-old Grammy-winner while he was on tour, prosecutors said.

Court documents state that the woman fell in love with the person she believed to be Mars.

The scammer began requesting money from the woman, first asking her for a cheque for a "friend of the band" for "tour expenses".

Two days later, he allegedly hit the Texas woman for funds again.

Each of the amounts were deposited into two separate accounts, held by Azuonwu and an alleged accomplice, authorities said.

Azuonwu has been charged with third-degree felony money laundering.

Cheerleaders win lewd vid contest

A GROUP of former cheerleaders have settled with the Washington American Football Team over claims that a lewd video was made of them using out-takes from swimsuit calendar shoots.

The women claimed that in 2008 the team's in-house broadcasting unit was ordered by two high-ranking team officials to make the video of revealing out-takes for team owner Dan Snyder.

A similar video was also made after the 2010 swimsuit calendar shoot, the women claimed.

Synder denied any knowledge of the videos at the time.

Lawyer Gloria Allred, who represented the former cheerleaders, confirmed a settlement had been reached.

Cindy Minniti, a lawyer for the team and Snyder, said "the matter has been resolved".

TYRANT PUTIN GETS ON OUR TITS

Topless babes protest at jailing of Russian opposition leader

EVIL Russian dictator Vladimir Putin HATES people who disagree with him.

Which is why he sent FSB agents to poison outspoken Kremlin critic Alexei Navalny with deadly Novichok in Berlin.

After dodging his date with death, Navalny bravely returned to Moscow and was promptly caged for three years by bent judges for 'violating the conditions of a suspended sentence'.

Navalny's jailing has led to huge protests in Moscow and a war of words with the West that has resulted in the expulsion of some European diplomats.

Activists have braved sub-zero Russian temperatures to stand up for democracy.

But some even hardier souls have protested against Putin by baring the boobs!

Their freedom-loving nipples rock hard in the cold, these brave babes have stood shoulder to shoulder with other Navalny protestors.

And, according to sources, it's rattling cold-hearted Putin.

A source said: "Putin is the most ruthless man to rule the roost in the Kremlin since Joe Stalin.

"Look at his eyes. The man is without human emotion or common decency.

"He swats his enemies like other people swat flies.

"But these booby ladies have him rattled. He knows that topless protests bring down governments and so is determined to stop them."

Putin has sent in crack police squads to arrest the topless protestors and haul them off to grim former KGB jails.

Our source added: "Putin can kill a man with his bare hands.

"But he's scared of boobs. Really scared."

Cop fondled breasts of attempted suicide teen

A DIRTY cop is accused of molesting a 15-year-old girl he met when responding to her attempted suicide.

An investigation into William E. Sublett IV – who has since resigned – began in December when the girl reported the accusations to her guidance counsellor at Waynesboro High School, Pennsylvania.

Sublett, 33, had responded to her home a year earlier and later asked the teen for nude photos.

He then fondled her breasts and genitals without her consent at his home in November.

Some of the alleged sexual abuse took place while Sublett was supposed to be on-duty.

A search of a mobile phone investigators said Sublett bought for the girl revealed he asked her for explicit photos after she sent him an image of a sex toy in November.

"You look amazing, you have no idea," the former officer allegedly wrote the teen in other messages.

"You have no idea the things I could do to you."

Sublett is facing charges of indecent assault, corruption of minors and aggravated indecent assault.

As they approached a local hospital, Kepler *(above)* allegedly pulled a gun on the man, who said he was able to wrestle it away.

He then fled the vehicle and got medical help at the hospital, where he told workers about the ordeal.

The hospital alerted cops, who arrested Kepler at her house.

She was later charged with aggravated assault.

CELEB grump Piers Morgan says his *Good Morning Britain* co-host Susanna Reid secretly loves people talking about her impressive cleavage.

But even he will admit internet evil doers have gone TOO FAR by using space-age technology to create FAKE NUDE PICTURES of the sexy MILF presenter.

Dozens of web sites are filled with vile images of the 50-year-old's face slickly grafted onto the naked bodies of porn stars.

Some of the snaps just show topless images while others show fake pics of the stunning news lady with her hairy minge out!

And friends of the star reckon she's furious that the images exist.

One said: "Susanna has got an amazing body. But if you were lucky enough to see her naked it would be because she chose to do that.

"She has been offered all kinds of money in the past to get her boobs out, but always declined.

"Now these evil internet people are claiming they have all kinds of naked pictures of her and are putting the pictures all over the internet.

"It's disgusting! And she's furious. What Susanna does with her naked body is her choice.

"By creating these fake images, these monsters are taking that choice away from her.

Nuclear war's on the way!

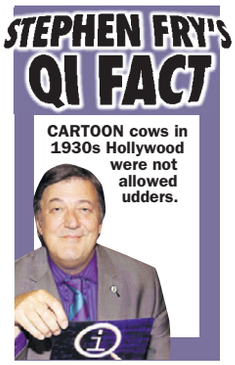
BUILD yourself a bomb shelter folks, because nuclear war is on the way.

That's the chilling view of the man in charge of America's nuclear deterrent force.

Admiral Charles Richard (*above*), 61, warned that Moscow and Beijing have "begun to aggressively challenge international norms" in "ways not seen since the height of the Cold War."

Admiral Richard wrote in the U.S. Naval Institute's monthly mag: "There is a real possibility that a regional crisis with Russia or China could escalate quickly to a conflict involving nuclear weapons, if they perceived a conventional loss would threaten the regime or state.

"The U.S. military must shift its principal assumption from 'nuclear employment is not possible' to 'nuclear employment is a very real possibility,' and act to meet and deter that reality."



Man's legover 'a basic need'

A MAN nicked for breaking COVID rules to go and shag his girlfriend claimed it was his HUMAN RIGHT to get his legover.

The 40-year-old was travelling by bus to visit his girlfriend and was stopped by cops.

He revealed that he was going to Alicante to meet his "basic needs" – allowed under Spanish law.

When pressed further, he explained to officers that he had not seen his girlfriend for over a month and that he had travelled from Murcia to slip her a length.

He argued that sex is a basic human need, but the cops forced him to get off the bus and issued him with a fine.

The man had to call someone to pick him and take him back to Murcia.

He plans to appeal the summary justice.

FOOD BANK DAD MOCKED BY GARY'S CRISP

OUTRAGED: Dad Ian with his kiddies and the offensive crisp

You calling me a TWAT for being poor, Lineker?

CRISP SELLER: Gary

SUNDAY SPORT EXCLUSIVE

WHEN struggling single dad Ian Harper received a bag of ready salted Walkers Crisps in his food bank parcel, he was over the moon.

But he was sick as a parrot when he opened the pack to share with his children Daisy and Tom.

Because on one of the crisps the word TWAT was visible.

And 45-year-old Ian blames Walkers own salesman-in-chief Gary Lineker for the outrage.

Ian fumed: "I will never watch *Match of the Day* again. If Gary Lineker thinks it's OK to mock the poor by writing TWAT on crisps. The f**king millionaire Remoaner c**t."

TWITTER STORM: Lineker's reaction to licence fee hike

Ian, of Boston, Lincs, went on: "My kids have had a very sad life. Their mother ran off with another woman and I had to tell them she'd been savaged to death by a pack of beagles, just to spare their feelings.

"I'm their sole carer and it's a struggle, especially when we have to pay the TV licence, as the telly is our only lifeline.

"So effectively I'm paying the wages Gary Lineker – and he's writing TWAT on my crisps."

Asked what evidence he has for Gary Lineker writing TWAT on his crisps, Ian pointed to a tweet the football pundit sent out last week.

Lineker was accused of 'mocking the poor' after joking about his £1.3m salary in response to the corporation ramping up the cost of the licence fee.

The former England player, 60, responded to news of the hike from £157.50 to £159 on Twitter with: "But, but I've just taken a pay cut," with an emoji.

Ian said: "So he's got form for it. I would not be surprised if Lineker was down the Walkers factory writing TWAT on crisps he knows are going to poor folk."

HILLBILLY REBEL: Flynt faced lawsuits

CLUCKING HELL!

Hustler legend Larry Flynt lost virginity with a CHICKEN

EGG-STACY: Chicken like the one Larry Flynt bonked

By BARNEY SAMUELS news@sundaysport.co.uk

PORN publishing legend Larry Flynt, who died last week, lost his virginity to a CHICKEN!

The founder of grumble mag *Hustler* and self-proclaimed "smut peddler who cares", died aged 78 in his sleep at Cedars-Sinai Medical Center in Los Angeles with family by his side.

He ended his life a wealthy man but he grew up dirt poor on a farm in Kentucky.

The town of Lakeville had 40 residents, comprised of five families, who lived isolated along dirt roads.

Flynt said: "It was like a medieval settlement."

And it was there that he had his first sexual experience with the unfortunate clucker.

He once wrote: "I'm a hillbilly and people like me come to sex without the hang-ups imposed by all the hypocritical morality of the middle class."

Squawking

In a 2011 interview he describes penetrating the chicken's egg sac, and how "when I let the chicken go, it started towards the main house, staggering, squawking" – so he killed it.

Flynt was a school drop-out who began his adult industry career by launching strip clubs in Ohio with his brother.

A newsletter about those clubs evolved into *Hustler*, which was first published in 1974.

According to Flynt, at the height of circulation the publication was bought by about three million people a month.

His business empire extended into other areas of entertainment and was thought to have a $150m turnover at one point.

His pioneering legal battles were depicted in the 1996 film *The People vs Larry Flynt*, in which he was played by Woody Harrelson.

BIG HITS: Flynt's *Hustler* magazine

He courted controversy and was faced lawsuits in a five-decade career.

Flynt was shot in 1978 outside a courthouse in Georgia during a trial for obscenity – a bid to assassinate left him which left him paralysed.

The alleged perpetrator was never charged but was executed years later in connection with a series of murders.

Away from porn, Flynt launched and lost bids at political office and married five times.

A fine pair of busty, milky white breasts desperate to escape her skimpy top

SEXY Ireland Baldwin showed her support for under-fire Britney Spears by dressing like the singer.

Ireland dug out her old Britney Spears costume for an Instagram snap

The model, 25, showed off her ample cleavage as she recreated Britney's iconic schoolgirl look from her *Baby One More Time* music video.

Uploading the post alongside a throwback of Britney dancing, Ireland said the snap was in 'honor of my queen'.

Ireland – the daughter of Hollywood stars Alec Baldwin and Kim Basinger – went braless in the white shirt which she left partially unbuttoned.

Britney is currently a hot topic of conversation, after a controversial documentary was released about the singer.

But that did not interest one sex troll, who merely commented: "A fine pair of busty, milky white breasts desperate to escape her top."

Pirates found in wreck

SIX pirate skeletons have been found in a shipwreck.

The remains were unearthed from The Whydah, the world's only authenticated pirate wreck, which sank near the town of Wellfleet, Massachusetts, in 1717.

Investigators at the Whydah Pirate Museum said the skeletons were identified in several hard masses and are now being examined by archaeologists.

Underwater explorer Barry Clifford said"We hope that modern, cutting-edge technology will help us identify these pirates and reunite them with any descendants who could be out there."

A human bone found in the wreck was also tested against a DNA sample from a bloodline descendent of the Whydah's captain, Samuel "Black Sam" Bellamy, obtained in 2018.

Woman gets nicked after carjacking in the nude

A NAKED 28-year-old woman was taken into custody after carjacking a motor with two terrified kids inside.

An emergency caller notified cops about the nude woman, who had been spotted standing on the side of a road.

A grandmother with her two grandchildren as well as a log truck driver pulled over along the highway to check on her.

But before cops could arrive on the scene the naked woman, later identified as Lacie Cole jumped into the grandmother's car and drove off with the two grandchildren in the back seat.

Cops were notified about two minutes later that the children were dropped off about a mile south of where they were taken in Woodville, Texas.

Police chased the car through the streets of the town until the chase came to an end, with Cole being dragged starkers from the vehicle and hauled off to the lock-up.

The case is being investigated and charges against Cole are pending, after she's had her head looked at by a shrink.

The children were returned safely to their grandmother.

Farmer in drag defiled a grave

A FARMER has pleaded guilty to defacing the grave of his former neighbour by dumping dead animals on his headstone…while dressed in drag.

Joseph Stroud (*above*), 79, pleaded guilty to defacing objects of public respect.

Stroud was given a one-year suspended sentence and must pay £1,500 in compo.

Fred McKinney's granddaughter, Shannon Nobles, first noticed the dead animals staining his headstone his headstone in Benton, Arkansas, in May 2020.

The family later set up cameras that captured a person "walking up to the headstone and placing a dead animal on it."

The culprit, later identified as Stroud, wore a woman's wig, jacket and sunglasses.

FINGER OF BAME

BLACK driver Gregory Bombard of the state of Vermont is suing cops who arrested him for giving them the finger, claiming the gesture is protected free speech.

DOPEY *Corrie* stalwart Tyrone Dobbs has had nis fair share of bad luck over the years but now things are looking up.

The grease monkey got a look at lodger Alina Pop in just a skimpy towel.

Big-hearted but slow-witted Tyrone (Alan Hassall) had offered a room for newcomer Alina (Ruxandra Porojnicu).

Naturally, his missus Fiz (Jennie McAlpine) wasn't too pleased when she discovered her hubby's generous offer.

But you don't need to know that, do you? Especially if you're one of the vast majority of British people who no longer watch *Coronation Street*.

It's a good excuse, though,, for us to show a load of ladies at bathtime...

10 things you might not know about COLD UK WINTERS

HAS that been bracing enough for you?

The last week has seen the coldest temperatures in 10 years and the snow hit London – so it got on the news.

But it has been positively tropical compared to some of the winters we've had.

Let's have a look at when it was REALLY cold…

1 THE record for the coldest temperature recorded in the UK – minus 27.2C – is shared between Braemar (1982) and Altnaharra (1995), both in Scotland.

2 ENGLAND'S chilliest was on December 3, 1981, when it plunged to minus 25.2 in Shawbury, Shropshire.

3 THE coldest temperature recorded for Wales was minus 22.7°C in Corwen, north Wales, on December 13, 1981.

4 THE coldest it's got in Northern Ireland was Christmas Eve 2010 when the mercury plunged down to minus 18.7C in Castlederg, County Tyrone.

5 IN the winter of 1962-63, there were no frost-free nights between blizzards hitting at Christmas and March 6.

6 1947 is regarded as the snowiest winter of the last century. The temperatures, recorded as Central England Temperature, fell to an average of minus 1.9°C in February. Bulldozers, previously used for bomb clearance in the war, were used to clear the snowdrifts.

7 IN winter 1740-41, the streets of London were clogged with snow and ice. As temperatures dropped the Thames froze over and remained solid for eight weeks.

8 ON January 25, 1795 an extreme temperature of minus 21.1°C was recorded in London. This marks the lowest temperature ever recorded in the city. Christ, imagine how the southerners bleated!

9 THE coldest winter so far this century was 2009-10. According to the Met Office, the mean temperature in the UK was 1.51°C for winter that year, compared to a long-term average winter temperature of 3.7°C.

10 WINTER doesn't just happen in winter. On June 2, 1975 it snowed in London. Labour were in power.

DEANO ON SUNDAY

The lunatics have taken over the maternity wards

SOMETIMES, the powers-that-be make this column-writing lark easy – *really* easy.

This week I've got Brighton and Sussex University Hospitals NHS Trust to thank.

Yes, Brighton. You know it's going to be mad already, don't you?

Staff at maternity wards in that south coast city have been told to use terms like 'birthing parents' and 'human milk' rather than just referring to 'mothers' and 'breast milk' or 'mother's milk'.

They also suggest that 'chest feeding' is a kinder way to describe 'breast feeding'.

This is all, apparently, to drive out "mainstream transphobia".

Crime

Yes, because referring to a person who has just shat out a baby as a 'woman' or a 'mother' is, according to Brighton in 2021, some kind of hate crime.

On account of all the men there who are apparently giving birth.

Twenty years ago, stating that "men give birth" would have been a ticket to the madhouse.

These days, even calling such a statement stupid could get you locked up. Banned from social media at the very least.

Brighton hospitals justified their latest move with what is perhaps the most perfect piece of politically-correct garbage I've ever read.

It said: "Gender identity can be a source of oppression and health inequality. We are consciously using the words 'women' and 'people' together to make it clear that we are committed to working on addressing health inequalities for all those who use our services.

"As midwives and birth workers, we focus on improving access and health outcomes for marginalised and disadvantaged groups. Women are frequently disadvantaged in healthcare, as are trans and non-binary people.

"By continuing to use the term 'woman' we commit to working on addressing health inequalities for all who use our services."

And this bit is a corker: "We also recognise that there is currently biological essentialism and transphobia present within elements of mainstream birth narratives and discourse."

Emotional

WHAT THE FLYING F**K DOES THAT EVEN MEAN?!

The document drivels on: "We strive to protect our trans and non-binary service users and healthcare professionals from additional persecution as a consequence of terminology changes, recognising the significant impact this can have on psychological and emotional wellbeing."

Love, if you are a woman who thinks she's a man but reserves the right – as a man – to have babies, I would suggest your "psychological wellbeing" is a ship that's long sailed.

We are told by leftie headbangers that the NHS is on its knees due to "years of Tory cuts".

But it still finds the time and the funds to bend over backwards for a tiny minority who deny thousands of years of human experience, biology and bloody common sense.

The lunatics may not have taken over the asylum but they're sure calling the shots at Brighton and Sussex University Hospitals NHS Trust.

SUNDAY SPORT EXCLUSIVE
By BARNEY SAMUELS
news@sundaysport.co.uk

CAN you believe it's now more than 20 YEARS since the then boss of the BBC, Greg Dyke, described the Corporation as "hideously white".

Little did the man who brought us Roland Rat realise what an effect his bombshell words would have.

Thanks to Dyke, a council spent a whopping ONE MILLIONS POUNDS of ratepayers' money replacing its "hideously white" bog paper in municipal shitters with a more ethnically-diverse BROWN tissue.

The council, which an injunction BARS us from naming, made the move after the European Forum of New Ideas slammed white toilet paper as "inherently racist".

The shadowy Forum, funded by the EU, last year launched its "Crusade Against Whiteness" in what it called a "concerted attack on subliminal racism in the public arena".

Its director Anders Van Der Modig tromboned: "Our aim is a world where the word 'white' is erased forever.

"Instead of 'white' people we will say 'of no colour'. By restructuring our language and our thinking we will purge ethno-European people of the racism that runs through all our veins."

They produced a paper last summer stating that "public expressions of whiteness, especially in the state sector are like a boot on the throat of our coloured brethren."

The racist expression "coloured brethren" was hastily removed from later editions of the document and a mis-translation from the original Dutch was blamed.

The document was circulated to all UK councils, leading to our unnamed local authority burning all their white loo roll and replacing it with brown, at huge expense.

Terry Furey, of the Taxpayers' Value League, fumed: "It makes my blood boil! Not to be too scatological but what use is brown arsewipe?"

AS NEW STUDY REVEALS COR

'My housemate almost jumped on me and soon I was going down on her'

HOLLY KENT, 32D, FROM STREATHAM, SOUTH LONDON

I'VE spent a small fortune on new sex toys!

Being single the past year has been a disaster for my love life because I haven't had a shag with a bloke since last March.

Before the lockdown I had four or five f**kbuddies who I would regularly meet up with to get my fill of cock.

There is nothing better than getting shagged hard with no commitment involved – you just get your fill and then leave.

It worked for me and I was very happy.

But all that had to stop during the pandemic because I wasn't able to meet up with people.

At first I did a lot of sex over Zoom or FaceTime and I splashed out on new love toys.

Horny

But while I loved bringing myself to orgasm while someone watches and seeing them stroke their hard cock is very horny it can't compete with the real deal.

So my housemate and I came up with a solution – we've gone lockdown lesbian!

We were both discussing how much we were missing sex when I said: "We could have sex with each other!"

She almost jumped on me and soon I was going down on her and licking her to orgasm.

Then when I felt her fingers inside me it was so good and I orgasmed almost straight away.

Now we do it five times a week and my sex life is very different – but I am very happy!

ONAVIRUS HAS CHANGED BRITAIN'S SEX HABITS...

THE LOWDOWN ON LOCKDOWN LOVING

THE coronavirus pandemic has been with us now for almost a year, and it has changed everything.

The economy is in ruins, we're on the verge of going to war with the EU and we have to look after our own kids during the school day.

Literally nothing has escaped the impact of this deadly plague.

By SUZIE SHELDON
news@sundaysport.co.uk

And the resulting lockdown has had a huge impact on people's sex lives, too.

Some folk are having more sex, some far less.

Others have tried new and exciting kinks while some have split up from their partners due to the pressures of being locked in together.

Exploits

So we asked two couples and a *Sunday Sport* model how the lockdown has impacted their shagging exploits at home.

And here's what they had to say...

'I get so wet when he spreads my legs and ties me to the bed'

FANTASIES: Gill and Graham love to experiment

GILL PARKER, 26, AND GRAHAM WILDE, 34, FROM HULL

GILL and Graham say that the lockdown has caused their love life to get much BETTER.

Gill said: "We both work in the hospitality industry so have spent a long time on furlough over the last year.

"So we basically had months at a time off work with not a lot to do.

"And we ended up using our time to have sex!

"Although for the first month we barely shagged at all – we were so nervous and worried about what would happen to us.

"We then got used to things and didn't have much to do to fill our day so we started shagging to while away time.

"At first just doing it in the daytime every day was pretty unique – and very hot.

"But soon we really started to experiment with different fantasies.

"I have now found out I love being tied up and spanked which I had no idea I liked before.

"I get so wet when Graham spreads my legs and ties me face-down to the bed and starts to slap my bum.

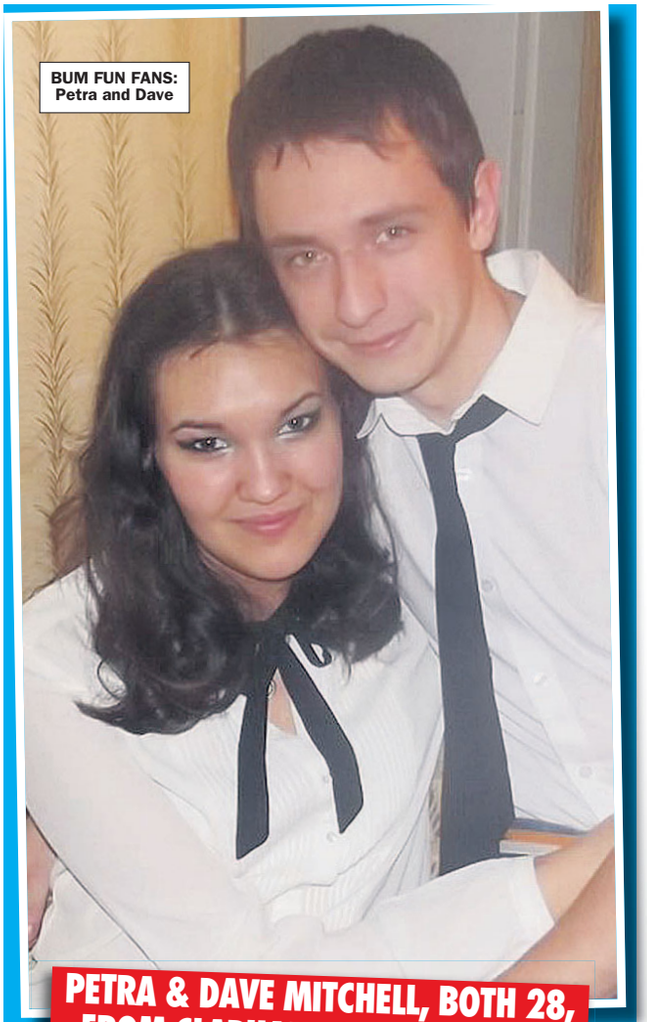
"Then he fingers me and brings me to a screaming orgasm.

"I would never have found out that I liked that if I hadn't had the time to explore my sexuality with Graham.

"And we are going to keep on experimenting, too.

"We've been looking at getting me some latex outfits to wear next.

"And I can't wait."



BUM FUN FANS: Petra and Dave

PETRA & DAVE MITCHELL, BOTH 28, FROM CLAPHAM, SOUTH LONDON

PETRA and Dave reckon that worrying over the fact they may die at any time made them much more comfortable with exploring their sexuality.

And call centre worker Petra confessed that she now loves anal sex sessions with her physiotherapist husband.

She said: "Early on, when no-one knew exactly what was going on, we were worried that we could die at any moment.

"Especially with Dave working in the NHS – we were both really worried.

"And in a funny way that freed me up to experiment in the bedroom.

"Life felt too short to be scared of trying something new.

"I'd always been fascinated with the idea of anal sex but was too worried to do actually take the leap and do it.

"So I told Dave that I wanted to try it.

"And needless to say he had a huge grin on his face!

"When he first lubed me up and eased a finger in it felt amazing. I told him to put a second finger up there and I started getting really wet.

"He then put a butt plug in me to stretch me out so I would be ready for his hard cock.

"And it worked! He put the tip of his penis in and it was an amazing feeling.

Taboo

"I felt so taboo and kinky, and that was turning me on.

"Then he gently pushed until his entire shaft was inside me.

"That was enough to give me an orgasm – I loved it.

"Then when he unloaded inside me I had another one!

"Now anal sex is a regular part of our sex life and I don't think it would have happened without lockdown."

The model, from Hammersmith, west London, has plenty of experience going down on ladies.

The 34E beauty said: "I've been with a few girls. I got it on with another model once in the toilets at a London club and we went down on each other.

"I loved it – until we were caught by the loo attendant!

"I'm not bisexual, I'm straight. And I've got a tongue piercing which everyone loves.

"I like to tickle other girls' clits with it and tease them.

LEANNE LOOKS BRA-VELLOUS!

By WENDY THOMAS
news@sundaysport.co.uk

YOU know what big boobed Leanne wants to do on the very first Sunday out of this damned lockdown?

Why, buy a load of new BRAS, that's what!

The top-heavy stunna said: "My bras get some heavy duty work carrying my girls round all day and I go through them like other people go through face masks!

Lingerie

"Of course I can, and do, buy bras online but there's nothing better than going to a top-end lingerie shop and getting one properly fitted.

"OK, it may not sound like the most exciting way to spend a Sunday but when you have boobs as big as mine, a bra fitting is a fine luxury, believe you me!"

FORGET astrologers who tell you you're going to meet a tall, dark stranger and that you're about to come into money...

Septic Meg tells it like it is – UTTERLY SHITE!

Did any other newspaper astrologer see the coronavirus coming? Of course they f**king didn't.

So here's how YOUR immediate future is going to pan out, according to our very own SEPTIC MEG!

AQUARIUS

JANUARY 20 – FEBRUARY 18

YOU have as much chance of sitting inside a pub, enjoying a pint with your mates in April as you do of discovering how to turn cheese into gold.

PISCES

FEBRUARY 19 – MARCH 20

YOU'RE only a few weeks away from having been locked down on and off for an entire year, and starting to understand why prisoners often moan about it.

ARIES

MARCH 21 – APRIL 19

WHEN spending time in the shed to get away from the missus, you realise you have to stop blankly staring at the hammer rack.

TAURUS

APRIL 20 – MAY 20

AN hour of gazing at the wonders of the middle aisle at Aldi has now become your official day out.

GEMINI

MAY 21 – JUNE 20

YOU'RE quietly smug about your increasing skill at crosswords, even if most of them are aimed at the television news.

CANCER

JUNE 21 – JULY 22

YOU, too, are wondering how the fk Brooklyn Beckham, 21, can afford to pay £350k for his American fiancée's engagement ring.**

LEO

JULY 23 – AUGUST 22

SEEING the way actor Russell Crowe has warped from brutish Gladiator into straggly Captain Birdseye has really cheered you up.

VIRGO

AUGUST 23 – SEPTEMBER 22

YOU'RE wondering with good reason why it's possible to have food banks but not beer banks.

LIBRA

SEPTEMBER 23 – OCTOBER 22

IF it carries on like this, 2021 could be the year you consider stepping up to Class A drugs.

SCORPIO

OCTOBER 23 – NOVEMBER 21

YOU'RE about to remember (in exactly six words' time) that this Sunday is Valentine's Day.

SAGITTARIUS

NOVEMBER 22 – DECEMBER 21

YOU look back wistfully on the days when the only argument in town was over Brexit.

CAPRICORN

DECEMBER 22 – JANUARY 19

YOU think that "having a runny nose" being a good enough reason to take a COVID test will displease anyone who likes a permitted walk to the offy and back this winter.

LEGENDS OF PORN

PART 146 LOLA CHANEL

THOSE Canadians know how to make two things very well: maple syrup and porn stars!

By PENNY MARSHALL
news@sundaysport.co.uk

Lola Chanel was born in 1992 and by the time she was all grown up she had all-natural 34D boobs which boys just loved.

Her careers tutor advised Lola to become a veterinary nurse, but Lola had a sexier job in mind.

She said: "I've always wanted to be a porn star, so when I was old enough I went to LA to chase my dream."

Lola has appeared in a string of movies, including *Sneaky Sex, Big Naturals* and the troublingly-named *Lesbian Sisters Let Dad Help* (let's not go there, eh?)

Lola said: "What can I say? I like cock – and the bigger the better.

"There's no feeling in the world better than a big cock in my pussy, a cock in my ass and another cock hosing me down with thick, hot cum."

Well then, sounds like porn star is the best job for our Lola after all.

PUB TALK

THE pub is a great place to meet old mates, relax and have a laugh over a couple of drinks. But not right now. Nevertheless the *Sunday Sport* has caught up with two party-lovin' babes who can't wait until they're open again and we've got them to spill the beans on their sex lives!

Here we get the lowdown from a pair of saucy stunnas who hail from Luton...

STACEY LEE
AGE: 22
FROM: Luton
OCCUPATION: Online retail sales
FAVE DRINK: Cocktails
FAVE FOOD: Indian
FAVE FILM: *Bohemian Rhapsody*
FAVE ACTOR: Jason Momoa
FAVE HOLIDAY: Thailand

LUCY CLARKE
AGE: 20
FROM: Luton
OCCUPATION: Student
FAVE DRINK: Red wine
FAVE FOOD: Italian
FAVE FILM: *A Star is Born*
FAVE ACTOR: Bradley Cooper
FAVE HOLIDAY: Spain

WILLY SIZE

LUCY: Of course, I won't feel a thing if his penis is really small but it's what a bloke does with it that really counts.
STACEY: A bigger penis feels better to me, but it's not the be all and end all.
LUCY: An ex-boyfriend of mine had a huge dick. It was eight inches but to be honest he was too confident and rubbish with it. I gulped when I first saw it and for a while I wanted to shag him all the time because it was so large.
STACEY: One guy I knew had a nine-inch knob. But the experience was pretty awful be-cause it was so painful.

LESBO LOVIN'

LUCY: I've never been on my own with another girl but I have had lesbian experiences when having threesomes. I love making other women orgasm because I know how to push all the right buttons and generally most men don't.
STACEY: Not too long ago I had my first experience and it was with my ex-boyfriend's missus, which made it a particularly racy affair because I got one over on him. She's bisexual and had done it all before, so she did all the leading and I have to say she gave me one of the best orgasms I've ever had.

BUM FUN

LUCY: I'm getting more and more into anal sex. My current boyfriend and I do it quite a bit and he's very gentle and caring when he does, so I feel comfortable with him doing it. We use a lot of lube and go at a much slower pace than normal, but it still feels incredibly intense while he plays with my clit.
STACEY: I do anal, but only on very special occasions and only because it turns men on. It doesn't do an awful lot for me physically, but it turns me on knowing I'm doing something so naughty and taboo.

THREESOMES

LUCY: I've had a few threesomes. I love being with another woman best of all because it's a chance to experiment, and also I rate my shagging ability and am quite competitive about it. I've not had one for a while though.
STACEY: When I was at college I ended up having a fiveway one night. It was totally mad. There were bodies everywhere and at any one time someone was having an orgasm. I love thinking about that time when I masturbate.

KINKY STUFF

LUCY: I once had a two-hour phone sex session where I was forced to spank myself and denied from having orgasms. It got to a point where I had one earth-shattering orgasm at the end and then I just couldn't stop coming!
STACEY: Before I lost my virginity my then boyfriend and I went to the cinema. We were touching each other the whole way through the film. He eventually shoved his hand down my knickers and gave me a really good climax. At the time it seemed just about the most kinky thing ever and I remember feeling aroused again as I left the theatre with my knickers soaking.

SEX TOYS

LUCY: I own several vibrators, they're totally necessary pieces of kit for me. Sometimes I just need to have an orgasm and sex toys are a hassle-free way to achieve that. If I think I'm going to have a bad day I get my Rampant Rabbit out and a few minutes later I'm feeling positive.
STACEY: I own a few but my vibrating hands are better! I know what you mean about starting the day off with an orgasm, but if I stick a finger inside myself and rub my G-spot while I stroke my clit, that does the job better than any buzzing electronic gadget for me.

ONE-OFFS

LUCY: The only times that I've had one-night stands have been when I've just split up with a boyfriend and I'm on the rebound. The sex can be pretty good because I know I've had quite a lot of tension inside me at those times.
STACEY: I've had a few, but I'm not a massive fan. The sex is always pretty crap and the next day all I feel is embarrassed.

FAVE POSITION

LUCY: I like lying on my front while a man enters me from behind and then smothers my neck in kisses as he plunges his hard cock deep inside me. The way it hits me is perfect and just the thought of it gets my juices flowing, so I always have great orgasms that way.
STACEY: I love taking control during sex, so me going on top is best. It's a great opportunity to flaunt my body and drive a man wild as I ride him to a point where he can't take it any more. I find in that position I feel his spunk explode inside me more, too.

BEST NOOKIE

LUCY: After going out for dinner my boyfriend took me home, stripped me naked, tied me up and blindfolded me. I didn't have a clue what he was going to do and the next thing I knew he'd jizzed on my stomach and breasts. Then he went down on me and after he'd given me an amazing orgasm he gave me another by screwing me just right, hitting my G-spot.
STACEY: I always had great sex with my ex. He knew my body so well and had a great instinct. We had a picnic one summer evening and when we opened the yoghurt we both clicked. We ran home, almost tore each other's clothes off and then licked the yoghurt off each other's bodies before shagging.

STRANGEST PLACE

LUCY: The most unusual place I can think of was on a ferry while on a trip to France. I love the idea of doing it in different places, but it was only just Spring and very windy. My arse was like a block of ice by the time I'd pulled my knickers back up!
STACEY: I did it in a phone box once. I was with his guy and we were taking a walk near where I live. It was spontaneous and quick but really exhilarating – I loved the idea of almost being caught in the act by a random stranger, too.

SPIT OR SWALLOW?

LUCY: It depends how I feel. Sometimes it's nice to have a guy come on me and then again I like to have him come in my mouth because it shows I love giving head.
STACEY: I give the best blowjobs and if I didn't swallow they'd only be average. It's part of the deal I reckon.

FANTASIES

LUCY: I'd love to join the Mile High club and have sex on a plane. I'd get chatting to a stranger sat next to me and we just click and hotfoot it to the loos and shag.
STACEY: I like to think about being with a beautiful woman and a hot guy. We'd go mad for each other and spend an entire night making each other come, over and over again.

'We use plenty of lube and go at a much slower pace – it's an incredibly intense feeling...'

IT'S ALL IN A KAY'S WORK FOR TINA!

THERE aren't many Television X stars as recognisable and popular as the stunning Tina Kay.

She's been the star in tons of raunchy TVX flicks including *The Kay Of Reckoning, Pornstars In Their Eyes* and most recently her directorial debut, *Tina Kay's Porn House Vacation*.

We met up with the international superstar to chat about her life as a top pornstar and how much she loves shagging!

HOW DID YOU FIRST GET INTO PORN?

I started off mainstream modelling when I was younger and by my early 20's, I dived straight into adult soft and hardcore.

I've had a very successful decade living my dream life, shagging for a living. At 35, I'm now moving to the next stage as a director.

WHAT MADE YOU WANT TO DIRECT YOUR OWN MOVIES? HOW DID YOU FIND YOUR FIRST TIME?

Tina Kay stands for high quality, classy content mixed up with my hard and nasty action – putting together my two extremes to make you a top new movie.

I've loved working with Harmony Films on this. They've been so much help and we've created something amazing. I can't wait to see my first movie premiere on Television X!

SOME OF OUR FAVOURITE TVX FILMS HAVE COME FROM YOU FILMING WITH AMORT PEART/SWANK. WHAT DO YOU LIKE SO MUCH HIM?

Oh yes, he is definitely my favourite TVX director I've been working with. He brings such a unique quirkiness and fun to his movies with his British sense of humour!

He also lets us performers show our real characters in our roles, so we can be at our filthiest.

STARING IN AS MANY MOVIES AS YOU HAVE, YOU MUST HAVE MET SO MANY PORN STARS. WHO ARE YOUR FAVOURITES TO SHOOT WITH?

No names, but the ones with no limits! Boys or girls who are open minded, really love to experiment and love sex! Positive energy is so important.

WHAT ARE THE BEST THINGS ABOUT BEING A PORN SUPERSTAR?

It has to be the lifestyle, having the ability to live life on my own terms with complete freedom. I get to travel the world and have sex with some gorgeous people.

It's taken time and courage to get here, but it's all been well worth it.

Call me "Sexy Self-Made!"

WHY DO YOU LOVE SHOOTING WITH TELEVISION X?

It's the best of British! TVX has some great parodies, feature films and reality scenes and they showcase their star talent so well.

I'm so proud to have be on the TVX screens for so many years. I bring a bit of everything with my British style and European, no limits spice. Enjoy my special night only on Television on the 21st.

To celebrate the release of Tina's latest movie, we're dedicating a WHOLE NIGHT solely to her tomorrow!

To see her in the naughtiest scenes on TV subscribe to Television X (Sky 900), call 0871 271 6869 or visit *www.televisionx.com*. Calls cost 13p per min plus your phone company's access charge.

Follow Television X on Twitter and Instagram *@TVXMole*

Keep up to date with Tina Kay on Twitter *@TinaKayxxx*.

BOOBS ON THE BOX

BRITAIN'S ONLY NAKED TV GUIDE

with SIMON DEAN

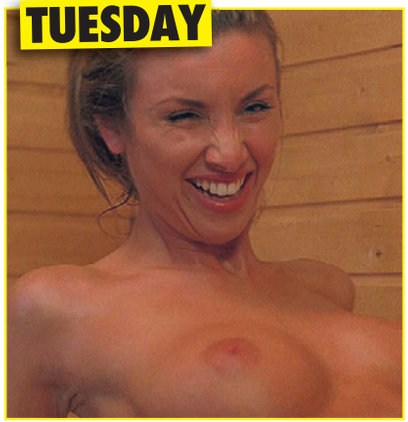
TODAY

Sony Movies Action, 12.35am, *Starship Troopers 3* – CÉCILE Breccia, Tanya van Graan, and Nicole Tupper all show flesh in this one at about one hour seven mins.

TOMORROW

Horror Channel, 2.35pm, *Let Her Out* – SOME great looks at Brooke Henderson's breasts as she bangs a bunch of different dudes during this montage at just 38 seconds into the film.

TUESDAY



Horror Channel, 10.45pm, *Hostel* – ABSOLUTELY packed with top notch East European blart. Quite a lot of gore, too.

WEDNESDAY

5Star, 9pm, *Fifty Shades of Grey* – WALL-to-wall filth in this film adaptation of the EL James mummy porn best seller. Starring Dakota Johnson as Anastasia Steele, this is an utter titfest.

THURSDAY

Horror Channel, 9pm, *Splice* – DELPHINE Chanéac showing us some scary-sexy full frontalage as she gets stripped off before some ghastly and insane experiment at one hour 12 minutes.

FRIDAY

Sony Movies Action, 12.40am, *Cartel War* – SANDRA Luesse gets out of bed and we get a brief look at her busters at 48 mins.

PICK

TODAY

TOMORROW

***Devon and Cornwall* – C4, 8pm**

THE lure of the West Country is totally irresistible, as this second series of vignettes shows.

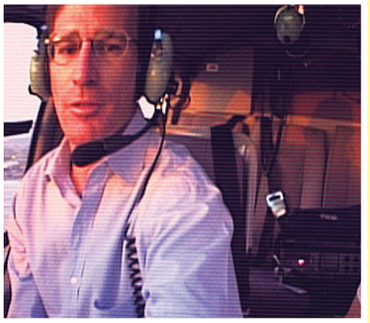
This edition follows Newquay fisherman Phil Trebilcock, who's been going out to sea for 40 years and now seeks lobster, which he thinks is a tad overrated, and crab, which he prefers.

On the edge of Exmoor, relatively new farmers Rob and Sarah Taylor believe "Devon is heaven" as they track down native ponies for the show season.

Perfect escapist stuff.

Going up in the world of breaking news

***Whirlybird: Live Above LA, Storyville* – BBC4, 9pm**



DOCUMENTARY about a husband and wife team who revolutionised broadcast news in America by capturing breaking news stories in Los Angeles from their helicopter.

Their cameras captured not only the adrenaline of live news culture, but also the strain it began to take on their relationship, which ultimately led to a major life transition for one of them.

I saw this couple on *Michael Palin's Full Circle*.

Fascinating stuff.

OF THE TELLY

By BARNEY SAMUELS

Will Irish get lucky?

Six Nations Rugby Live Ireland v France – ITV, 2.15pm

JILL Douglas presents coverage of the final match in the second round of fixtures, at the Aviva Stadium (kick-off 3pm).

France overcame Ireland 35-27 in Paris in the concluding contest of last year's competition, but were unable to secure the bonus point and 31-point margin required to prevent England winning the title, while Ireland could have topped the table had they recorded a bonus win and prevailed by seven points or more.

With analysis by Brian O'Driscoll, Rory Best and Gareth Thomas.

The Serpent – BBC1, 9pm

BRILLIANT concluding part of what has been an ace real-life crime drama.

The net begins to close on Charles and Marie-Andree in India, and so Charles hatches a daring plan to escape to South America, but he is becoming reckless and soon everything spirals out of control.

In Bangkok, Herman, Angela and the Action Committee face up to life after the Sobhraj case.

An Officer and a Gentleman – C5, 10pm

IT'S Valentine's Day. Get this on the box, get a bit of cider down the wife's neck and she'll be wetter than an incontinent water vole.

A Navy recruit undergoing officer training has an uneasy romance with a local factory worker.

He also attracts the less romantic attention of a tough, uncompromising sergeant, who sees his potential and is determined to push him to the limit.

Romantic drama, starring Richard Gere, Debra Winger, Louis Gossett Jr, Robert Loggia, David Keith and David Caruso.

Worth watching for that song – you won't get it out of your head for days!

TUESDAY

First Dates – C4, 10pm

A BEAUTY queen bricklayer goes looking for love with a bar manager, while two students with some very different priorities when it comes to conversation somehow try to make a connection.

A financial investigator meets a man who seems to have an answer to everything, and a man whose job takes him all over the world is under pressure to find himself a wife.

Brian Protheroe as usual narrates all the intimacy from The Refinery in Spinningfields, Manchester.

Ben Fogle: New Lives in the Wild – C5, 9pm

NEW series. Ben revisits Amanda Owen and her family at their remote farm of Ravenseat in the Yorkshire Dales, who have gone on to star in *Our Yorkshire Farm* since he first met them.

Ben discovers how they get by in the tough world of farming and meeting the latest addition to their flock.

I've said it before and I'll say it again – if you're ever up that way, drop in for one of Amanda's cream teas.

DON'T MISS THIS!!!

One-Hit Wonders at the BBC – BBC4, Friday, 8pm

COMPILATION of hits by artists that were hardly heard from again after one of their songs climbed to the pinnacle of pop, alongside an analysis of the 'one-hit wonder' phenomenon.

Featuring (*right*) Peter Sarstedt's 1969 track *Where Do You Go To (My Lovely)?*, Trio's *1982* smash Da Da Da, *Move Closer* by Phyllis Nelson and *You Get What You Give* by New Radicals.

If they haven't got Joe Dolce and *Shaddap You Face*, I want my licence fee back!

She says she will dominate you into submission, before ripping off her tights so that you can lap up her delicious juices, then spread her plump thighs wider so as to accommodate your engorged man-meat.

NATASHA Nice is 'nice' by name – but VERY naughty by nature!

The French beauty is just posing naked here, but she's done stuff a LOT stronger, too.

If you search out her work you are likely to see Nat's 34E all-natural boobs coated with lots of freshly-sprayed jizz.

X-rated

Natasha said: "I love doing X-rated stuff mainly because I am a big fan of the cock.

"I like sucking cock and having sex, too.

"And I like licking the pussy sometimes, but I prefer the cock. And lots of hot spunk."

Natasha: I like it when a guy sprays on me!

THE WORLD FAMOUS AGONY Page

Dear Sam,

I LOVE to visit my local cinema on a Wednesday afternoon, when it's pretty dead.

Last week a woman came in and sat near me on the deserted back row and started to strip off during the movie.

She lay back on her seat, propped her legs up on the one in front and started to play with her shaved fanny.

So I got myself right up to her face and dropped my trousers and started beating myself off. Then just as I was about to shoot my load, the film ended and the house lights came up.

In the dark I'd not been able to make out her face, but in the light I recognised her as a line manager at work!

Since then I've tried to avoid her at work. Any advice?

DH, east London

Sam says...
JUST pretend it never happened and carry on.

Dear Sam,

AS a visitor to England from America, I wondered if you could help.

I had quite a vigorous sexual appetite, but I don't seem to be able fulfil it any more.

I like football and girls, but it probably doesn't help that I'm quite short and ginger.

I used to get an erection when I went to a match, so I bought some football-related things to kick-start my libido, but it didn't help.

My four sons often give me encouragement, but it hasn't helped me get my end away.

When I was back home in Tampa Bay I was respected and would often get a bit of nookie with the local girls, but this has all dried up.

Please help!

SUNDAY Sport SEXY BACK END!

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters and emails. Here's her advice...

My train stud's gone off rails since swingers' trip

Dear Sam,

I'M 23 and engaged to a train driver.

He's seven years older than me but he doesn't act it.

My man's hunky and always laughing and joking, he's great in bed and we make love at least twice a night.

But just recently things have changed.

It all started when we went to Spain last summer with another couple.

We'd booked our week-long trip earlier in the year but my fella's pal decided to come along with his girlfriend just a few weeks before we were due to set off.

Because we didn't book together we were in separate apartment blocks, about a mile apart.

On the first night we all got blitzed and the other couple came to crash out at our place.

Me and my man got in one single bed and they had the other.

At about 5am I was woken by the sound of creaking bedsprings. I opened one eye and saw the other guy shagging his girl doggystyle.

I was highly turned on by what I saw and next minute my fella was thrusting deep inside me.

After we both climaxed he called to the other couple and asked if they were up for a swap, and they nodded.

So I went over to the other bed while his girl joined my man on ours and I had the most incredible shag.

He was so good at it, he brought me to three climaxes!

I told my fella later how good a f**k his pal was and we never did any more swapping after that.

Since we've been back home, he has gone off the rails and is getting pissed every night.

I've asked him why he does it but he gets all shirty and won't say.

Have you any advice please?

WP, Lancs

Sam says...

IT sounds like he's jealous of his pal's prowess in the sack. Reassure him it was just a one-off and it's him you really care for.

Dear Sam,

I WORK as a fashion buyer and my work takes me all over the world.

I'm 28, single, tall, with long dark hair and a nice body.

I've bought lots of designs from Australia and spend a lot of time on flights over there.

Sometimes I pack a vibrator and treat myself beneath the blanket in business class, and the last time I flew to Oz I was a little bit tipsy and doing exactly that when a female flight attendant came along.

The blanket fell to the floor, revealing the dildo stuffed up my chuff, and to my surprise she slipped into the vacant seat beside me and we got snogging before she licked me out.

Since I got home I can't stop thinking about her.

Should I look for her on social media?

Angela's bonkers for sex!

SUNDAY Sport SUNDAY STUNNA

By WENDY THOMAS
news@sundaysport.co.uk

FAMILY trees can be surprising at times.

If Angela Bruckner ever went on BBC1's *Who Do You Think You Are?* viewers would see she's related to Austrian composer Anton Bruckner!

The 34C model, from Putney, west London, said: "My distant ancestor was a very strange character.

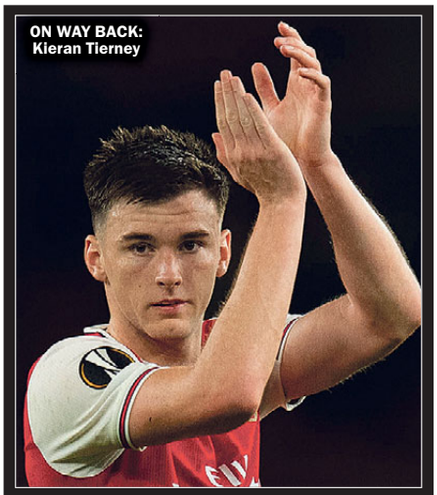
"He suffered terribly from obsessive-compulsive disorder, depression and, it seems, perversion.

Explicit

"Anton made several marriage proposals to teenage girls and he had a morbid fascination with death and dead bodies – leaving explicit instructions regarding the embalming of his corpse.

"He sounds mad… quite bonkers!

"I just like sex, but I don't really think that makes me mad."



ON WAY BACK: Kieran Tierney

Kieran keen to get back for Gunners

By MARK NAYLOR

KIERAN Tierney is busting a gut to be fit for Arsenal says boss Mikel Arteta.

The Scottish left-back has been one of the few high points of the Gunners' season so far. He has been in cracking form so it was a big loss when he picked up an injury three weeks ago.

He could be back for a bumper week which sees Arsenal take on Benfica in Europe and Man City in the Premier League.

Tierney has a knee issue and his manager will give it all the time it needs rather than rushing back.

Arteta said: "We have to see how the knee reacts when he starts to get a bit more load.

HOPEFUL: Mikel Arteta

Pain

"He hasn't had much left but he is very positive at the moment, he is in good spirits and he is desperate to get back in the team and we will see in the next few days, the moment he starts to train with the team and see how he is feeling and how he reacts.

"Well, we didn't know the extent of the injury at first.

"At the end of the day when you have pain and you are not comfortable and you are someone like Kieran who does everything 100 miles per hour, you need to be in the right condition.

"When someone like him says it doesn't feel right and that something is wrong you worry because you know how much he wants it as well.

"He's in a much better place now, in the last few days he's feeling better, he's training, he's positive, he's willing to come back early and help the team and hopefully we can have him soon."

Meanwhile, reports in Europe suggest the Gunners are closing in on a £20m deal for Sporting Lisbon wonderkid Tiago Tomas.

The move can't go through until the next window at the end of the season.

But Arsenal sporting director Edu wants to get things tied up nice and early.

That's because the 18-year-old has been in flying form.

He has become a regular for Sporting and some of Europe's biggest teams are now sniffing around.

But Arsenal should have the deal done within days.

NOT HAPPY: Bale is not getting on with Mourinho

GAZ ALL SET TO BALE OUT

Mourinho on attack over social media post

JOSE Mourinho has thrown Gareth Bale under a bus for a post he put on social media.

By PAUL THOMAS

The Welshman used his nstagram page to say he'd had a good training session for Spurs just before being left out against Everton in midweek.

That caused confusion with Mourinho saying Bale had complained of an injury and wanted to be sidelined against the Toffees in the FA Cup.

Insiders say Bale was not happy with the manager's comments.

Now Mourinho has poured more petrol on the flames.

He said: "His post created the need to be addressed because there was a contradiction between the post and reality. Since the beginning of the season, in relation to everything I try to be very private and keep everything in doors.

"But I felt that I need to address the situation.

"Probably the post was not even his responsibility, I don't know.

"But the post was showing that training session great, so 'I'm ready' and it was totally wrong.

"So when I was questioned I had to say the reality of the things which I repeat for the last time.

"I hope there are no more questions about it because the situation was exactly the way I told — he was not feeling good, he asked for a scan, he had the scan, the scan didn't show an injury but his feelings were still there.

"But coaches, sports science and medical people can never go against feelings because the players feelings are more important than all of us, so he was not ready for the game and it was as simple as that."

Mourinho's comments will only increase growing unrest in the White Hart Lane dressing room.

Popular

Tottenham made a good start to the season but have drifted down the table.

Now they are battling to qualify for the Champions League next season and need to all be pulling in the same direction.

Insiders confirm that Bale is popular with his teammates and his treatment by the Special One is not going down well with everyone.

Mourinho has never seemed happy with Bale and is unlikely to want him to stay beyond this season.

That would mean the 31-year-old heading back to Real Madrid, where Zinedine Zidane has made it clear he's not part of his plans.

Mourinho is on record as saying he can't offer Bale much time on the pitch.

The Welshman has played just six times in the Premier League this season.

Mourinho said: "No. I cannot do it.

"High level football is very difficult to do it, especially in a competition like the Premier League where the level is so high that it is very difficult to do it."

Havertz has got what it takes to succeed

KAI AND MIGHTY: Tuchel is backing Havertz

TUCHEL BACKS STRUGGLING STRIKER

KAI Havertz WILL come good for Chelsea says boss Thomas Tuchel.

The German has had a rocky start to life at Stamford Bridge after his £72m move from Bayer Leverkusen.

The 21-year-old has scored just five times in his 26 outings for the Blues but has chipped in with six assists.

While that isn't the impact previous boss Frank Lampard was hoping for, it's not a total disaster.

It has to be a worry that Havertz hasn't hit the target in the Premier League since October though.

But current gaffer Tuchel is seeing good signs from the youngster.

He said: "All we can do is push him, support him and give him what he needs and we will figure this out.

Impact

"He had a really good start with us and I have the feeling that I see a guy who is self-aware, humble and incredibly talented.

"There are no doubts that he will show those – the sooner the better.

"Unfortunately, he has missed training and matches for us and hopefully he will come back in the next days as I am convinced he will have a big impact."

While you can make plenty of excuses for 21-year-old Havertz, fellow misfiring Chelsea hitman Timo Werner surely has more questions to answer.

He arrived in west London last summer from Leipzig for just under £50m.

He made a bright start to life at the Bridge, particularly in the Champions League.

But his return of four Premier League goals from 22 games isn't setting the world alight. And he has managed just one strike in his past 19 outings. He last found the net way back on November 7 and his goals have all come against so-called smaller teams.

Tuchel is hoping to have Werner back for Monday's clash with Newcastle after getting over a dead leg.

The manager has pointed to the contribution the striker has made in terms of winning key penalties in recent games. And it seems his teammates are happy with the effort being put in.

Chelsea defender Antonio Rudiger is backing the German pair to find their feet soon.

And when they do, he thinks they will be a real force in the top flight.

He said: "Our relationship is good. I've known the guys for a long time, especially Timo. I already played with him in Stuttgart. But I already know Kai from the national team.

Slump

"They are very talented guys, maybe in a little slump right now, but if you saw Timo's performance against Sheffield United, then he was very important to us.

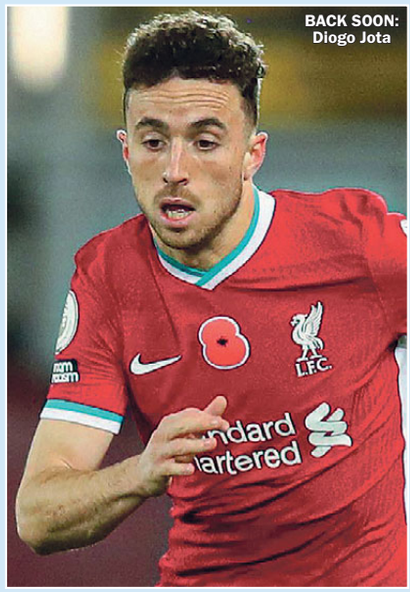
"He makes a lot of runs and I think the goals will come thick and fast.

That applies to both of them. This is their first experience abroad, they have only been in Germany so far, have only ever been in a safe environment, as I would call it.

"This is new territory for them and my job is to help them. I encourage them and I am just there for them.

"But at the end of the day they have to do their own work on the field."

MISFIRING: Timo Werner has one goal in 19 games



BACK SOON: Diogo Jota

KOP ACES BATTLING BACK TO FITNESS

By ANDY MILLOM

LIVERPOOL could have two key players back to full fitness as they battle to stay in the top four.

The Reds have been on their worst run since Jurgen Klopp took over and could be run out of the Champions League spots for next season.

So the German will be happy to have Naby Keita and Diogo Jota back in the next couple of weeks. Both have been sidelined and left a large hole in the Liverpool squad.

Neither player is back in full training but they are both making good progress. Klopp said: "Keita had a hamstring, a slightly bigger problem than before. He is not training with the team yet.

"Diogo is close to returning, but not as close as Naby.

"He is on the pitch as well. In rehab you have to train really intense before you get into team training.

"Diogo, two or three weeks maybe. That's kind of possible. Back in full training maybe and then see how long it takes."

Klopp admits the past few weeks have been tough and it won't be easy to regain the form they had last season.

Despite losing 4-1 against Manchester City, the German insists he is happy with what he saw.

Klopp added: "It's normal if you don't get results week in week out that a few things drop.

"Rhythm is difficult when you have to keep bringing players in.

"I saw a very confident team against Man City which is one of most difficult games in the world.

"The only thing you really can do is to fight through a situation like this.

"Nobody will help you. You have to work for all the situations, defend and attack on the highest level.

IN TRAINING: Naby Keita

"There are a lot of good signs in the last few weeks that shows me we aren't too far away."

Klopp is backing No1 Alisson to find his best form after a horror show against City.

The boss said: "The only thing you really can do is to fight through a situation like this.

"Nobody will help you. You have to work for all the situations, defend and attack on the highest level.

"There are a lot of good signs in the last few weeks that shows me we aren't too far away."

GERRARD VAR CALL

VIDEO STAR: Gerrard

STEVEN Gerrard says it's about time that Scottish football got VAR. Despite all the chaos it's causing in England, the Rangers chief thinks it would be good for the game.

At the moment, there is no video ref or even goal-line technology north of the border. And all of the officials are still part-timers, unlike in England where many now do the job full-time.

Gerrard said: "We should all support the officials in getting them the necessary support to be better and more consistent.

"Full-time referees is one area where 100 per cent the level would get better up here.

"I think the guys do a terrific job considering they are part-time and have other jobs."

SHUT UP YOU NUMPTIES

Solskjaer has had enough of abusive 'fans'

OLE Gunnar Solskjaer says footballers are fed up with abuse from a load of "numpties".

By JOHN ANTHONY

The Manchester United boss thinks the stick players, managers and referees get online has gone much too far.

With death threats and racist abuse flying around all over social media, Solskjaer believes it's time for the companies to take action.

He thinks you should have to show ID before getting an account.

The Norwegian said: "If it makes some players scared we have come too far. We already have.

"To me it is simple, if you don't have proof of identity you can't open the account. It would be so much easier to punish the numpties who have nothing better to do.

"The abuse is overboard and unacceptable.

"I hope we've educated our players enough to stay away from much of the criticism.

"It should be so easy to stop it with verified accounts without the fake names."
